SURRENDER AND LET GOD WORK

lord, please redeem our
family's story, not only
in this generation, but in
the generations to come.
you are powerful and I
choose to trust you.

let go

SURRENDER AND LET GOD WORK

god, please give me a willing spirit (Psalm 51:12) so I can lean into my redemption instead of kicking and screaming. I want stubborn faith. please develop that in me.

let go

SURRENDER AND LET GOD WORK

lord, may our family be known as a family that is committed to the Kingdom above all else. develop in us a passion for your priorities above our own.

let go

SURRENDER AND LET GOD WORK

I pray that Satan and his demons tremble at the impact you are making through our family.

Protect us from satan's attacks by your mighty hand.

let go

SURRENDER AND LET GOD WORK

lord, I pray for
supernatural joy and
peace to guard our
minds. surround us with
your powerful presence.

let go

SURRENDER AND LET GOD WORK

lord please provide the strength to fight against the darkness that can consume my thoughts.

please renew my mind to focus on your everlasting goodness and grace toward me.

let go

SURRENDER AND LET GOD WORK

god, give me strength to
set my mind so
stubbornly on "things
above" that when
refinement comes, I
stubbornly keep my faith
and hope in you.

let go

SURRENDER AND LET GOD WORK

god I pray this with my
whole heart today: "Not
my will, but yours be
done."

let go

SURRENDER AND LET GOD WORK

jesus, I know you've
given me all I need to
live a godly life.

empower me to respond
to your promises.

empower me to
supplement my faith with
moral excellence,
knowledge, endurance,
godliness, and love.

let go

SURRENDER AND LET GOD WORK

christ, please give me the strength to walk in your steps and example. even if that means I must walk through difficult moments, help me to become more like you--a humble servant who served "the least of these."
